

HIGHLIGHTS

from the 2017-2018
Activity Insight

FACULTY

Annual Reports

Faculty members entered a total of over 7,000 records into the Activity Insight web portal in the past year. Because faculty members have discretion in terms of how to report particular activities, and because some faculty members did not enter data in all sections of the portal, the figures presented here should be treated as low estimates in many cases.

CONNECTICUT
COLLEGE

156

publications, including

61 journal articles

21 book chapters

13 books
